Respected Sir,

Sub: Deputation Department Candidates for TTA training under 40% quota for Rectt. year 2008 - Regarding.

Ref: Your Office No.TA/TRG/TTA-40%-2008/2011-12/3, dt.15-07-2011.

It is to intimate that the TTA training programme for department candidates who selected in 40% quota of rectt. year 2008, the allotment of seat to the SSA's for the proposed training w.e.f. 16-08-2011, is not in proportionately against to the number of selected candidates. Out of 80 seats to the first batch, 40 seats (50%) were allotted to the candidates of HTD (90) and SSA's are allotted one / two seats only. As per the earlier procedure of the administration, the allotment of seats to the training centre be proportionately against to the selected candidates of the SSA's, without injustice. Now the selected candidates (673) are very much agitating regarding the allotment of seats to the SSA's in reasonable manner.

Hence we request to kindly revise the procedure of the allotment of seats to the first batch which training commence w.e.f. 16-08-2011 and arrange to open the training centres in centralised big stations, such as “Kakinada, Visakhapatnam, Kurnool, Thirupathi and Vijayawada as it is useful to the candidates to get the training without delay and without loss of TTA service

We hope this proposals may be considered in possitive manner.

With kind regards.

Yours Sincerely
